

1120 / 1130 SERIES DOOR CLOSER

Briton

The **Briton 1120/1130 Series** is a non-handed, slimline unit designed to be used on commercial interior/exterior wooden and metal doors e.g. storeroom, office and toilet doors.

The 1120 closer is an adjustable 2-4 strength closer, while the 1130 is an adjustable 1-6 strength closer, allowing it to suit the most popular range of door sizes.

Hold-open and track arms are available as accessories.
