

HANDY MAN SCREEN MOUSE

Proudly partnered with

PHIFER

"A new innovative tool for screen installation!"

PRODUCT DETAILS

The Screen Mouse spline roller makes installing and repairing screen projects easy, cutting down repair times in half!

Simply thread your spline through the back of the roller, tucking it underneath the front wheel and apply even pressure as you push the Screen Mouse along, locking the spline in place. Too easy!

Screen mouse

"A new innovative tool for screen installation!"

APPLICATIONS

- Ergonomic design.
- Cuts repair time in half!
- Spline feeds through roller for quick screen installation.
- Works with any screening project using round spline up to 6.35mm diameter.
