ALSPEC SLIDING SECURITY DOOR LOCK

Key Features:

- Tested to Australian Standard AS5039-2008 on Invisi-Gard Sliding Security Door

- Lock available in 3 standard powder coat colours - matt black, white and primrose

- Non-handed furniture - suits left-handed and right-handed sliding doors

- Self-latching bolt engages automatically when the door is closed

- Anti-lift pin on catch plate engages the lock body to prevent the sliding door being lifted out of its tracks

- Fits into industry standard door cut outs

- Interior snib lever for quick and convenient locking without the need for a key

- Accepts Alspec lazy cam Euro profile cylinders

- Compatible with high and low rod multipoint kits
