ALLEGION

Key Features

Clever design: Multi-function case allows easy conversion from a vestibule lock function (inside handle free) to a combination lock function (both handles locked) by a simple external operation.

Legge 995V Series Vestibule Lock

- Inside handle always operative for emergency escape
- Automatic deadlocking by closing door
- Reversible bolt and function

Legge 995C Series Combination Lock

- Key or turn locks or unlocks both handles simultaneously
- Automatic deadlocking by closing door
- Reversible bolt and function

Setting with Standard

Allegion's commercial range of Legge long plate furniture and mortice locks are now covered by an industry-leading 30 Year Mechanical Warranty.
