

# 3582 KITSETS

proudly partnered with

*"Conveniently packaged for easy transportation & installation!"*

## PRODUCT DETAILS

Designed to be easily transported and carried, these conveniently packaged Lockwood kits are now available in double cylinder sets, cylinder and turn set or single cylinder set through your local ALSPEC branch.

These Synergy kitsets come with a 3582 lock body, 4800 series furniture and include Lockwood cylinders in each kit which ensures products are covered by the Lockwood Lifetime Warranty.
