

## CUSTOMER TECHNICAL MEMO # 179

**Subject: NEW DIES – SK101 & SK102 - 2 PIECE SKIRTING SYSTEM**

**Date:** 14/8/13

**From:** Product Development

Good Afternoon,

Please see attached for the new section added to our range of aluminium skirting range.

**APPLICATION:**

1. The ability to conceal cables and wiring
2. The clip design allows removal without damage.
3. A skirting option with a smooth look without any visible fixings
4. The 15mm wall standoff can be used to cover floor board ends and rough cut tiles.

**NOTES:** No end caps available, corners must be mitred.  
The bracket, although supplied at 3.6m, can be cut into smaller pieces and spaced along a skirting run as required.

If you have any questions please do not hesitate to contact your local Area Manager or Sales Office.

Regards,

Product Development
