

CUSTOMER TECHNICAL MEMO # 203

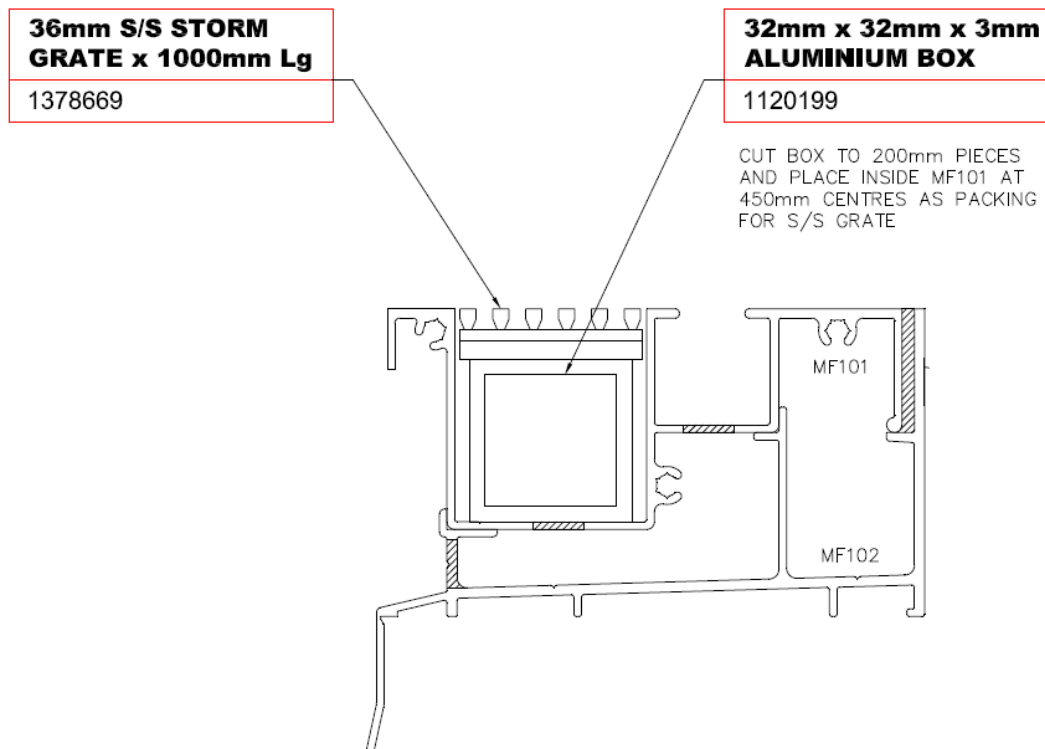

Subject: MF101 Stainless Steel Storm Grate

Date: 7-05-2014

Good Afternoon,

The item 1396040 – 38A STORMTECH SS GRATE 1200mm is no longer available.

The alternate is to use the 1378669 - PRG018 ALSPEC 36mm STORM GRATE 1000mm that we use in ProGlide. You will need to fit 1120199 - BOX SQUARE 32mm x 3mm under the grate as packers, we suggest that the box be cut into 200mm pieces and dropped into the MF101 at 450mm centres to support the PRG018 ALSPEC 36mm STORM GRATE.

If you have any questions please do not hesitate to contact your local ALSPEC Area Manager or Sales Office.

Regards,
Product Development
