

CUSTOMER TECHNICAL MEMO # 259

Subject: Air-Flo Louvre Framing Technical Manual

Date: 27/04/2016

From: Product Development

Good afternoon all,

Please note the revised ***Air-Flo Louvre Framing*** Technical Manual dated ***April 2016*** has now been updated on the Alspec website. All revised PDF Technical Manual documents, .dwg and .dxf files have been updated and are available for your use.

The Air-Flo Glass Louvre system is now partnered with the unmatched industry experience of Breezway® Louvre Windows, Alspec will provide the market with a complete and advanced louvre solution. Breezway Louvres innovative and patented designs will offer improved product strength, performance and flexibility when combined with the Alspec range.

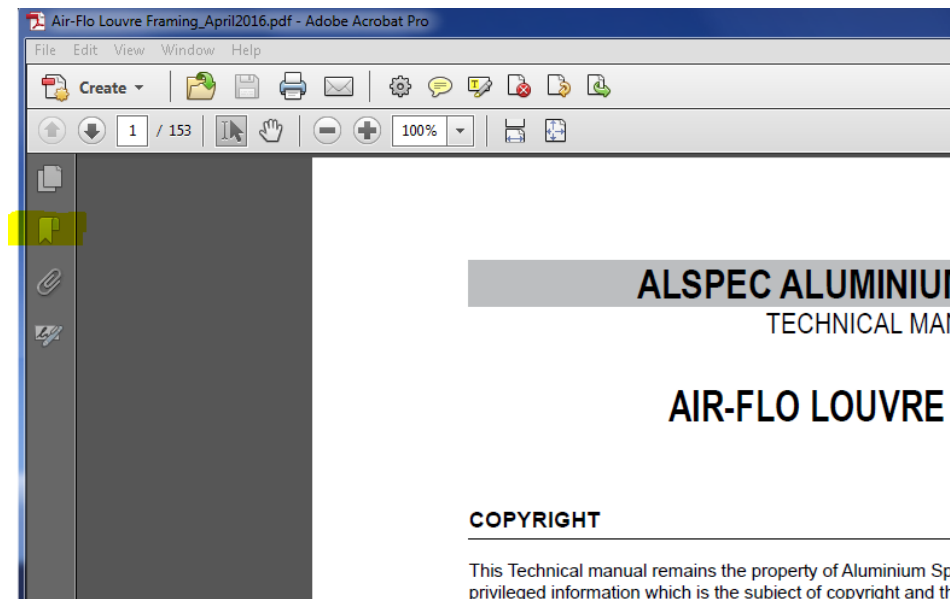

The Air-Flo Glass Louvre system includes a complete screened louvre frame offering a variety of external security and flyscreen options including our Invisi-Gard and KidScreen products. Now also included in the Air-Flo range is a 50mm slim line frame developed to suit narrow louvre installations. This frame presents a neat appearance using an integrated head and sill design.

The Air-Flo Louvre Framing Technical Manual is a completely revised manual for re-printing and replacing of your existing Technical Manual. To print a copy you can log onto the Alspec website, ***www.alspec.com.au*** and download the manual from *Louvres and Solar control, Air-Flo Louvre Framing, Technical Manuals*. Alternatively you can speak with your Alspec Area Manager who may provide a copy for you. *(Note: When printing the Air-Flo Louvre Framing Technical Manual please ensure your printer is set to double-sided printing.)*

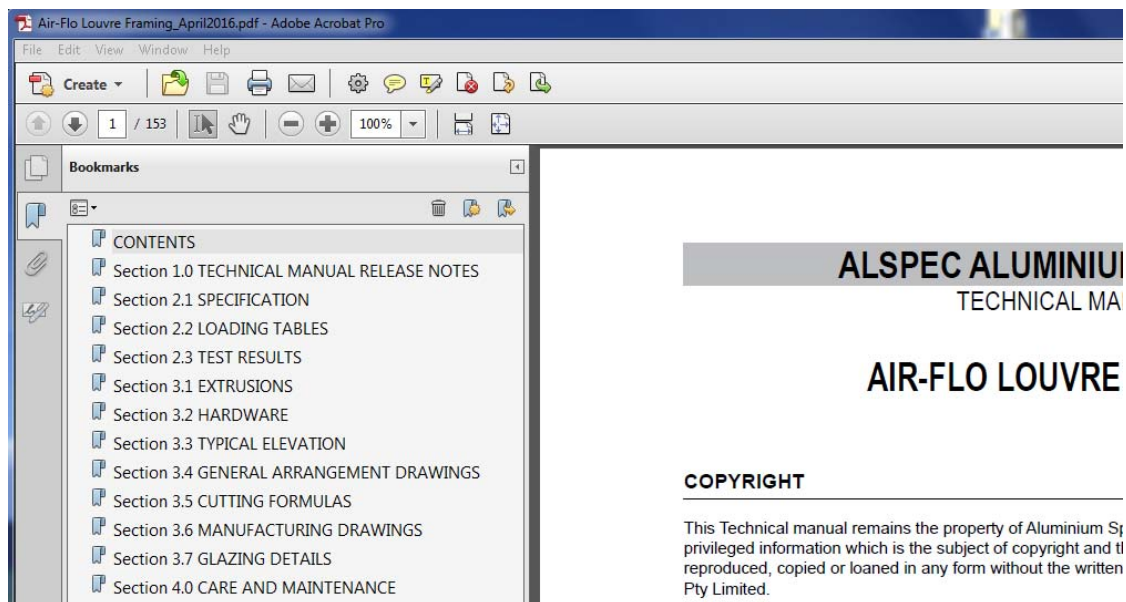

We are pleased to advise that this PDF document is now enabled with:

- a) The functionality to click on a page in the contents to go directly to that page.
- b) Bookmark functionality that allows easy navigation of the document.

To use bookmarks click on the button as highlighted in the example below.

This will open the bookmarks that can be used for navigation as follows.

The Air-Flo Louvre Framing and French Door Wall Chart dated April 2016 - Revision G, has also been updated and is available on the Alspec website.

If you have any questions please do not hesitate to contact your local Alspec Area Manager or Sales Office.
