

CUSTOMER TECHNICAL MEMO # 311

**Subject** ALT008/ALT007 Door Corner Replacements - ALT015/ALT019

**Date:** 28th February

**Author:** Product Development Team

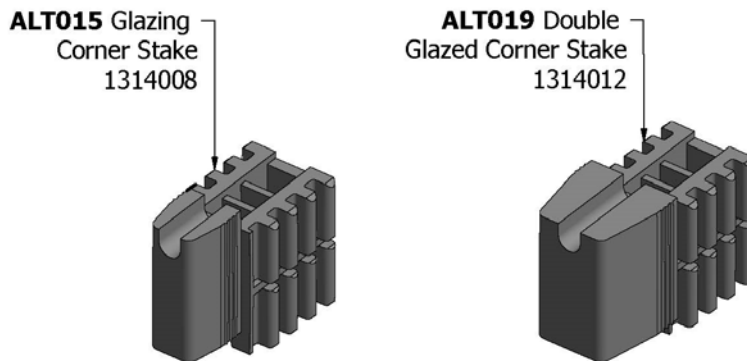

Good morning all,

Customer feedback has requested a simpler and more cost effective option for corners in Altitude / Carinya Sliding Door Panels.

The current **ALT008** requires two parts per corner. We have designed a new part, **ALT015** which requires one per corner.

The current **ALT007** requires two parts per corner. We have designed a new part, **ALT019** which requires one per corner.

As well as cutting the number of parts in half and improving the assembly fitment we are also able to offer cost savings from a new supplier.

Alspec Code	Description
1314008	ALT015 Glazing Corner Stake
1314012	ALT019 Double Glazed Corner Stake

If you have any questions please do not hesitate to contact your local Alspec Branch or Area Manager.
