

# 404 HYDRAULIC SCREEN DOOR CLOSER

proudly partnered with

ASSA ABLOY

## PRODUCT DETAILS

Introducing the Lockwood 404 Hydraulic Screen Door closer.

The 404 is the first Hydraulic Screen Door Closer specifically designed for the Australian market, and is suitable for screen doors weighing up to 29kg.

The 404 is a heavy-duty screen door closer, and best suited to stainless steel mesh doors which are heavier than the traditional Diamond Grille security screen doors.

Designed for the growing premium door market, this heavy-duty screen door closer offers smoother operation and a quality feel. Highly adjustable, the Lockwood 404 Hydraulic Screen Door Closer can still be used on traditional screen doors and offer all the same advantages. Whilst improving on the closer module itself, Lockwood has maintained all the familiar design features.

## ORDER NUMBERS

1304515 404 HYDRAULIC SCREEN DOOR CLOSER LOCKWOOD BLACK

1304517 404 HYDRAULIC SCREEN DOOR CLOSER LOCKWOOD SILVER

1352458 404 HYDRAULIC SCREEN DOOR CLOSER LOCKWOOD WHITE
