LETTER FROM THE CEO

I am thrilled to introduce Alspec Glass, the latest addition to the Alspec family. As a trusted leader in the industry, Alspec has always been committed to innovation, quality, and delivering market-leading solutions. Now, with Alspec Glass, we are taking that commitment even further- offering premium, high-performance glass solutions designed for commercial and high-end projects.

Alspec Glass provides a comprehensive solution for architects, builders, and fabricators looking for exceptional quality and reliability. Our full control over the supply chain - from aluminium to glass and hardware - ensures unmatched precision and efficiency in every project.

This is an exciting new chapter for Alspec, and we are proud to expand our offering to better serve our valued partners. I look forward to sharing more about Alspec Glass and how it can support your next project.

Thank you for your continued trust in Alspec - we can't wait to build the future together.

Paul Nakhle,
CEO and Managing Director, Alspec

A handwritten signature in black ink, reading "PNakhle". The signature is written in a cursive, flowing style.

WHO IS ALSPEC GLASS?

Alspec is expanding its expertise with Alspec Glass, delivering state-of-the-art glass solutions. Our premium glass seamlessly integrates with Alspec's renowned aluminium systems, ensuring quality, performance, and efficiency.

WHY ALSPEC GLASS?

1. High capacity for large scale projects
2. High performance and quality products
3. Comprehensive range of products
4. Backed by Alspec (50 years)

PRODUCT OFFERING

Our specialisation encompasses a comprehensive range of glass products tailored for architectural, commercial, and residential applications, including:

- Low-E glass
- Tempered and semi-tempered glass
- Laminated glass
- Insulating glass units
- Fire-resistant and bulletproof glass
- Ceramic silkscreen glass
- Curved glass
