

# LEGGE MORTICE LOCK KITS - 60MM

proudly partnered with  
**ALLEGION** 

Single Cylinder Kit

Cylinder and Turn Kit

Double Cylinder Kit

All kits include lock tabs for mounting into aluminium sections.

The **Legge 990MF Series** of mortice locks and latches have been designed specifically to meet the requirements of the Australasian market. With a range of lock functions, the 990MF has the right function to meet your specific needs. This is why they are backed by a 30 year mechanical warranty.

## Key Features

Clever design: Multi-function case allows easy conversion from a vestibule lock function (inside handle free) to a combination lock function (both handles locked) by a simple external operation.

## Functions

### Legge 990V Series Vestibule Lock

- Inside handle always operative for emergency escape
- Automatic deadlocking by closing door
- Reversible bolt and function

### Legge 990C Series Combination Lock

- Key or turn locks or unlocks both handles simultaneously
- Automatic deadlocking by closing door
- Reversible bolt and function

## Recommended for Swan Evo & Swan
