**A classic shape reinvented with modern design and precision engineering.**  
From the striking entrance pull handle, to the detailing of the flush pull, Verta will add designer accents to every aspect of your home.

Each piece of Verta is constructed from 316 marine-grade stainless steel. Available in two finishes, Stainless Steel and PVD Black. PVD (Physical Vapor Deposition) provides an attractive finish and hard wearing surface that is highly corrosion resistant. No compromise is made during construction.

With a substantial 7 year tarnish and 10 year mechanical warranty, Verta is an investment in quality and style for now and the future.

Refer to the Allegion website for care and maintenance instructions.
