

FIXED LOUVRE BLADES, ELLIPTICAL BLADES & BRACKETS

LV121
LOUVRE BLADE

Mass. 0.391 Kg/m
Anod. Per. 184
Paint Per. 184

Technical drawing of a Louvre Blade (LV121). The drawing shows the profile of the blade, which is L-shaped. The top horizontal section is labeled "VISIBLE SURFACE". The blade has a complex profile with multiple steps and a hook-like end. The drawing is a line drawing with hatching to indicate depth.

Paint Per. 290

AS831
SASH/LOUVRE
ADAPTOR

Mass. 0.597 Kg/m
Anod. Per. 177
Paint Per. 100

VISIBLE SURFACE

A cross-sectional diagram of the AS831 SASH/LOUVRE ADAPTOR. The diagram shows a profile with a horizontal base and a vertical section on the right. The horizontal base has a recessed area. The vertical section is labeled 'VISIBLE SURFACE' with a line pointing to it. The entire profile is filled with diagonal hatching lines.

LV24
101.6mm SELF MATING PLAIN
MULLION
Mass. 1.079 Kg/m
Anod. Per. 356
Paint Per. 157

Technical drawing of a handrail cross-section. It shows a hatched profile of the handrail and a dashed line indicating the 'VISIBLE SURFACE'.

Technical drawing of a window frame. The drawing shows a cross-section of the frame with a hatched area representing the internal structure. The outer edge is labeled "VISIBLE SURFACE". The frame is shown in a perspective view, with the top and bottom edges visible. The top edge has a small, curved detail. The bottom edge has a small, curved detail. The frame is shown in a perspective view, with the top and bottom edges visible. The top edge has a small, curved detail. The bottom edge has a small, curved detail.

Technical drawing of a boat hull cross-section. The drawing shows the internal structure of the hull, including the keel, ribs, and the visible surface. The text "VISIBLE SURFACE" is written on the drawing.

A diagram of a boat hull cross-section. The hull is elongated and tapers at both ends. The top surface is labeled "VISIBLE SURFACE". The hull is divided into two main sections by a vertical line, with the left section being wider than the right. The hull is shown within an oval frame.
