

Shower Screen Extrusions, Components, Kits and Hardware Price Catalogue

excellence. innovation. custom design.

Danmac is a glazing industry leader in design and distribution of aluminium shower screen products and components.

We pride ourselves on providing the very best in customer service and quality through our fabrication and supply of custom-built products to suit any requirement, style or area.

We custom design everything to ensure your exact specifications are met. We supply only the finest quality fittings and hardware in the market (including Opus frameless hardware).

Our innovative flair for developing revolutionary, new products is unsurpassed in Australia. That's why Danmac is Australia's most trusted and committed shower screen manufacturer.

Our Product Range includes:

- **Fully Framed Shower Screens**
- **Semi-frameless Shower Screens**
- **Frameless Shower Screens**
- **Bath Screens**
- **Windows & Doors**

We pride ourselves in providing the very best in customer service and quality, through our fabrication and supply of custom-built products to suit any personal requirement, style or area.

Established in 1974, Alspec is the market leader in the design and distribution of innovative aluminium systems to the architectural, industrial and home improvement markets.

Our range of quality products, that are extensively tested, together with our professional service ensures Alspec is uniquely positioned to support the growth of your business.

Alspec stocks a complete range of commercial hardware and accessories to complement all aluminum systems.

Alspec continues to partner with major Australian and global hardware manufacturers. If you need an accessory for an aluminium system from a major manufacturer, it is more than likely it will be in stock at your local Alspec branch.

With a network of 500 staff and thirteen locations nationally, Alspec is a 100% Australian owned.

Alspec continue to invest heavily in Research and Development to ensure the latest technologies and design principles are applied into their every increasing range of advanced systems. This provides the customer with fully tested systems that meet and/or exceed current and relevant Australian standards but also deliver on trend and aesthetics.

CATALOGUE INDEX
