

## CUSTOMER TECHNICAL MEMO # 278

**Subject** Alspec Escape Security Screens      **Date:** 14<sup>th</sup> October 2016

**Author:** Product Development Team

We are pleased to advise the release of an Alspec Escape Screen that utilises both Alu-Grille and Alu-Gard infill options.

We have completed testing of this system and it is now available sale. The section codes and descriptions are as follows:

<b>Code</b>	<b>New Description</b>
1409030	SW20 OUTWARD OPENING R/B PERIMETER FRAME
1409031	SW21 OUTWARD OPENING R/B HINGE PER FRAME
1402050	SW5 OUTWARD OPENING ESCAPE SASH
1409033	SW23 OUTWARD OPENING LOCK HANDLE
1409034	SW24 OUTWARD OPENING STD PERIMETER FRAME
1409035	SW25 OUTWARD OPENING STD HINGE PER FRAME

See attached pages for brief technical detail.

We are adding Alu-Grille Escape to the website and will have a brochure available shortly.

If you have any questions please do not hesitate to contact your Area Manager or local Branch.

Regards,  
Product Development Team
