

CUSTOMER TECHNICAL MEMO # 290

Subject INVISI-GARD TECHNICAL
MANUAL UPDATE

Date: 15 June 2017

Author: Product Development Team

We are please to advise that the Invisi-Gard Tech Manual has been updated and is now available in the dealer section of the Invisi website.

The key changes are as follows;

- All of the Invisi screening and escape systems have now been combined into one manual
- Maximum build sizes specified for all screen types
- Complete Specification Sheet, including mesh specs, testing and compliance
- Additional hardware items including locks, cylinders, closers, etc
- Accessory Extrusions such as channels, bug strips, t mullions, interlocks, etc
- Generic installation and fixing details

Regards,

Product Development Team
