

CUSTOMER TECH MEMO # 329

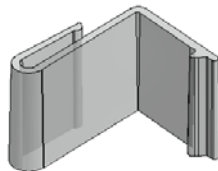

Subject *Awning 11mm Fly Screen Clip*

Date: 29/1/19

Author: Product Development Team

A new component has been developed for easier fitment of Insect Screens onto the Alspec Awning Windows.

The FS11 Flyscreen Retainer Clip suits 11mm flyscreen frames and can be fitted onto 35mm and 50mm Awning Sash Adaptors for McCarthur Evo, Eco Frame and Hunter Evo.

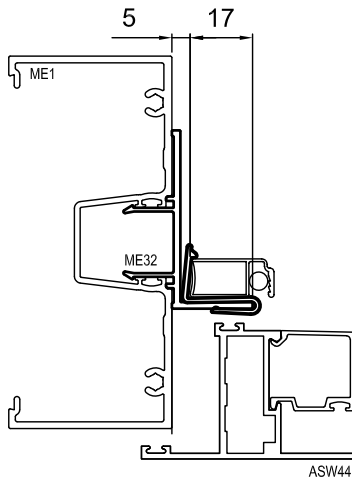

Alspec Code	Description	Finish	Pack Size	Stock
1309055	FS11 Alspec 11mm Flyscreen Retainer Clip	Transparent (050)	200	Adelaide

Refer to the following pages for fitment drawings and screen clearances required.
This component will be available in future AIQ and Tech Manual updates

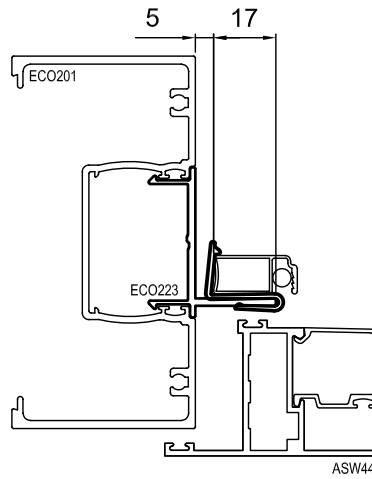

Kind Regards,
Product Development Team

FS 11 ALSPEC 11mm FLYSCREEN RETAINER CLIP

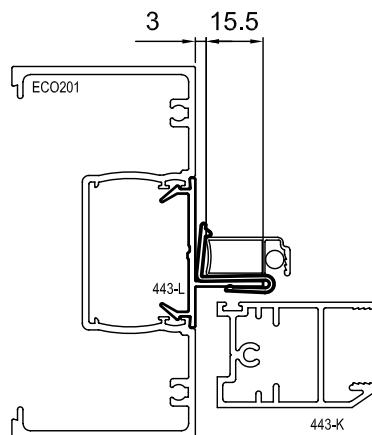

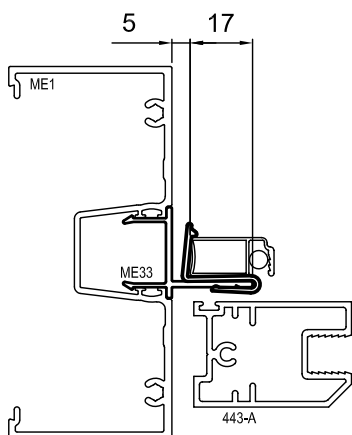

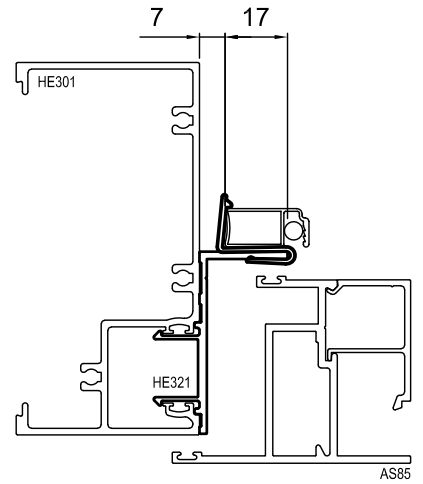

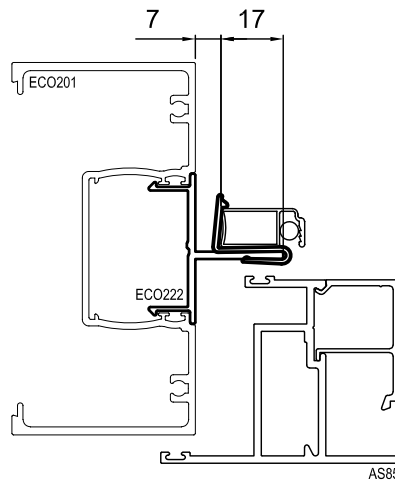

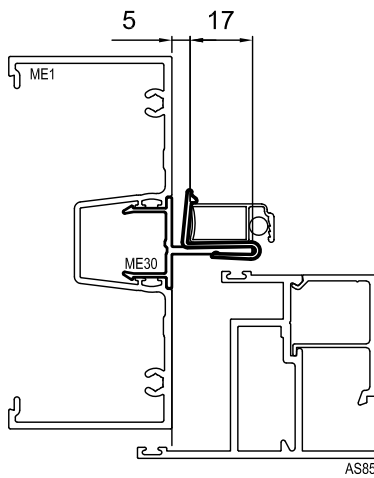

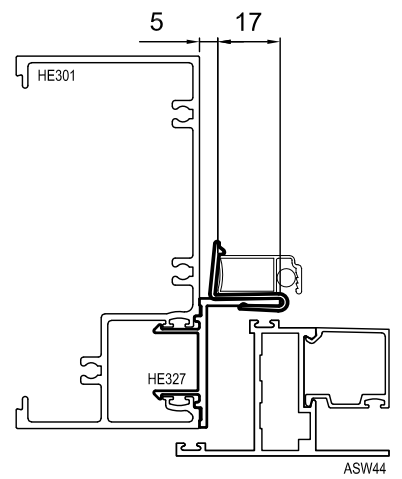

McCARTHUR EVO FRAME

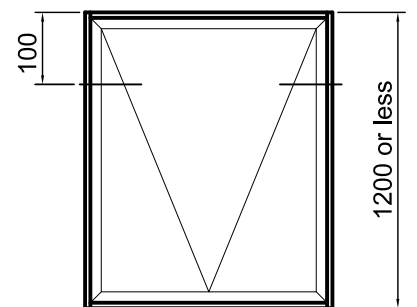

ECO FRAME

HUNTER EVO FRAME

SCREEN CLIP LOCATION

Screen Clips located 100mm down from the head onto the jambs.

Screen heights and widths greater than 1200mm require additional screen clips on the jambs, evenly spaced.
