Heta Hinged Projection Bolt Security Lock

Operation:

A reliable mortice lock for hinged doors having with a latch bolt that is retracted by an outside or inside lever. Closing the door causes an auxiliary bolt to release the latch bolt enabling it to enter the aperture in a strike plate. Once fully extended, it may be locked (or unlocked) from either side by key.

Special Features:

- Interior snib lever for quick and convenient locking without the need for a key.
- The jemmy resistant strike plate is designed to deform under attack to enable the strike plate to remain engaged with the bolt, even as the door is jemmied away from the door jamb.
- A notch in the latch bolt engages a profiled strike plate aperture to provide enhanced resistance to forced entry.

Multipoint:

Heta lock body may be connected to multipoint kits to provide three-point locking. These kits provide a top and a bottom bolt, each connected to the main lock body by a steel rod. The remote bolts are activated whenever the door is locked by key or snib (see next page for details).

Installation Features:

- Fits into industry standard cut-outs.
- Standard lock fits door frames from 19mm to 25mm thick.
- Suits both left-hand and right-hand hinged doors.
- Fitting instructions can be downloaded from www.alspec.com.au or QR code.

Keying:

- Accepts Alspec euro profile lazy cam cylinder.
- Can be keyed alike.

Finishes:

- A range of powder coated finishes available as shown below.

LOCKBODY

Door Cutout Details

Prepare the door according to the table and diagram below to suit the application.

ALSPEC CODE	DESCRIPTION	SETTING	[A]	[B]
1395004	HETA HINGED DOOR MULTI POINT KIT(ROD OPERATED)	HIGH	682mm	826mm
		LOW	826mm	682mm

Tolerance +/- 3mm

The Alspec multi point kit comes with high and low connecting rods. Select the appropriate rods for the application.

	TOP ROD	BOTTOM ROD
HIGH	697mm	868mm
LOW	841mm	724mm

Lock Cylinders for Security Door Application

Key Features:

- 5 pin Lazy cam euro cylinder
- C4 keyway profile
- Supplied with 2 Keys
- Non handed cylinder
- Keyed alike
- Removable cap for easy re-pinning cylinder
- Available in Bright Chrome Plated and Black finish
