

ALSPEC SECURITY
SCREEN MESH

Optimised Security Mesh™

Exclusive to Alspec

Introducing affordable Optimised Security Mesh™

Alspec is proud to launch Optimised Security Mesh™, a high-performance stainless steel mesh. It's the perfect solution for security screens and barrier systems.

Exclusive to Alspec, Optimised Security Mesh™ offers significant cost savings without compromising performance, and is the ideal product for locations more than 5km from the coast.

Tested and certified by NATA Accredited Testing Facilities for Australian Standards and Conditions.

Rigorous Testing

Optimised Security Mesh™ is tested and certified by NATA-accredited testing facilities for Australian Standards and conditions.

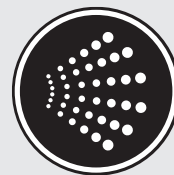

Why Choose Optimised Security Mesh™?

KNIFE SHEAR

CORROSION

SALT SPRAY
